Highlights

High performance trimmer

Create perfect stubble or clean lines around the edge of your beard. The full metal guard on this high performance trimmer delivers a professional look.

Beard & mustache comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1/32"/ 1mm steps by using the beard & mustache comb on the full-sized trimmer.

Bodygroom shaver

The Bodygroom shaver is designed for a gentle and comfortable shave on any area below the neck. Trim and shave in one stroke for a completely smooth finish. The shaver head is made with a hypo-allergenic foil and has patented rounded tips to protect your skin while shaving.

Detail trimmer

Create the fine lines and details that define your style with the 21mm precision trimmer.

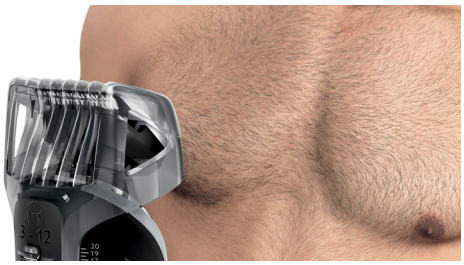
Nose and detail trimmer

Easily and comfortably remove unwanted hairs from your ears and nose with this clip-on nose trimmer. Its Patented Tube Shave technology guarantees no pulling and prevents nicks and cut. The angled head allows for better reach and control.

Hair-clipping comb

Keep your hair neat and styled at the length you prefer by selecting between 18 different length settings on the hair-clipping comb, in 3/20"/ 1mm steps.

Body-trimming comb

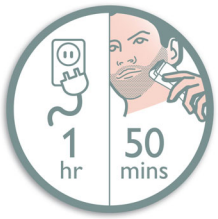


Trim your body hair to the length you prefer by selecting between 10 different length settings on the body-trimming comb.

Water resistant

Trim and shave wet or dry, or even in the shower. To clean, you can simply rinse this grooming kit under the tap.

Corded & Cordless Use



High performance battery with 50 min usage after only 1 hour charge. Also features a 5 min quick charge for one complete trim. If you run out of battery power while trimming, just plug it in and keep trimming.
